

Technical drawing of a circular object, likely a cross-section of a pipe or a similar cylindrical component. The drawing shows three concentric circles. The outermost circle is the largest. Inside it is a square frame, and within the square is a smaller circle. The dimensions are indicated by arrows and text: the outermost circle has a diameter of 23 3/4, and the square frame has a side length of 19. The drawing is a black and white line drawing with dashed lines for hidden edges.
