## Week 1: Education about Abuse

Abuse is more common than we want to believe it is. The CDC estimates that nearly 250,000 children are victims of abuse each year. Teens and adults of all ages are victims of abuse, too, and the abuse can be in many different forms. Over the next six weeks we are going to take look at abuse and some of the things that are being done to prevent abuse and care for victims of abuse.

This week have a conversation about abuse with your household, or with friends and family that are close to you. Start by looking at this guide to talking with children from the Our Kids center in Nashville. - <https://ourkidscenter.com/learn/speak-child-sexual-abuse/>

## Faith on the Go

God, your light shines in the darkest corners of our lives. We give you thanks for calling us your own and loving us. Lead us where we will shine your light of love to all the world. Amen.

What is your favorite gift you have ever received?  
What is your favorite gift you have ever given?

Matthew 2:1-12 The Visit of the Wise Men

### Day 1

Matthew 2: 1-2

What signs of God's light have you seen in your life? How do you respond to these signs of God?

### Day 2

Matthew 2: 3-6

Why could the coming of Jesus be a threat to King Herod? Bethlehem was not an important place at all, so for a ruler to be born there was unlikely. Why do you think God would choose such a place? (See also Micah 5:2)

### Day 3

Matthew 2: 7-9

Tell about a time that you did not know exactly where you were going but only that you knew that God was leading you there.

### Day 4

Matthew 2:10-11

What gifts do you have that you can offer to God and use for the sake of God's world and God's people?

### Day 5

Matthew 2: 12

Where can you look for God in your life that is perhaps not a likely place? Is God at work, school, the grocery store, in your neighborhood? How can you point to God in these places?

**May The Lord bless you with peace (from Psalm 29).**
